## PROFILE

As a user-oriented front-end developer, I make use of design principles to build an accessible and easy-to-use website. I make use of the latest technology like NextJS and Tailwind to build a fast, responsive, and SEO-friendly site.

## EMPLOYMENT HISTORY

Media Officer at Lily Hospitals, Warri  
November 2022 - Present

My role is to manage the media contents and how they are produced, and I also participate in the editing process. I also make sure the content is up to standard before it is published.

Freelance font-end developer  
Januray 2022 - Present

My role as a front-end developer freelancer is to listen to the customer's needs and what they want. I will then make use of this information to design and build a website that will suit their personal or business needs.

## EDUCATION

Federal University of Technology, Minna  
Januray 2015 - May 2021
